Days of Religious Observance

The Commissioner of Education has recognized days of religious observance whenever these days fall on a day when school is in session. Pupils may be excused on these days upon prior written request by the parent. These days are not legal holidays and ***require parental permission***. The attendance register should be maintained as on other days of the school session.

The members of the various faiths and congregations have asked that the school not schedule or plan tests or special activities on these days. Cooperation regarding this matter is requested and appreciated. The observance of Jewish Holy Days begins at sundown on the day immediately preceding the calendar date specified below for each Holy Day.
