MEDICAID COMPLIANCE NOTICE

The School District has adopted a Medicaid Compliance Policy and Program in accordance with federal and New York State laws and regulations to prevent, detect, and report incidents of Medicaid non-compliance, fraud and abuse.

All employees, non-employees and contractors involved in the provision of, or claiming federal Medicaid financial compensation or reimbursement for, school and preschool supportive health services are required to read and comply with the Policy and Program, and the governing federal and State statutes and regulations.

All employees must read the Medicaid Compliance Policy and Program sent by e-mail. They have also been made available on the District website.

The District has designated Assistant Superintendent Ronald Fisher as the Medicaid Compliance Officer. **All employees and service providers shall make good faith reports of potential or actual Medicaid (non)compliance issues or concerns to the Medicaid Compliance Officer in accordance with the procedures in the Program.** The Medicaid Compliance Officer will investigate all such claims in a confidential manner.

Failure to comply with any of the above legal requirements may result in disciplinary action.
